**APPLICATION FORM : APPRECIATION AWARD FOR
BEST BOILER USER INDUSTRY
(PROCESS BOILER/POWER BOILER) : 2018-2019**

CATEGORY :

PROCESS BOILER ☐

POWER BIOLER ☐

✓ tick appropriate catagory

Name of Company :

Address :

Mobile of Chief Engineer* Email

*compulsory

Following points should be covered in best Process ☐ / Power ☐ boiler user assessment.

✓ tick appropriate catagory

	Justification	Evaluation committee assessment
A Description of boilers in use		
(1) Year of make
(2) Type of Boiler
(3) Manufactured under Design Code
(4) General overall condition of Boiler
(5) New Technology approach for Design of Boiler
(6) Details of boiler accident/damages took place in the past if any, Give Details.
B Statutory Compliance :		
(Attach running copy of certificate of Boiler)		
C Boiler Safety :		
(1) Automation & usage of modern instruments
(2) Applications of latest safety equipments / devices etc.
(3) Safety precautions & measures

(4) Safety hazards controlling measures

(5) Any Other
D Boiler performance :		
(1) Efficiency assessment

(2) Efficient working methodology

(3) Type of Fuel & Firing System
(4) Use of water-Treatment condition
(5) Any other achievement which needs to be mentioned

E Boiler House keeping :

- (1) Facilities for operation-maintenance of Boiler
(2) Space Availability
(3) Lighting-Ventilations
(4) Instruction/Warning/Cautions Sign
displaying board
(5) Any Other

F Operation Feedback :

- (1) Trouble shooting & measures
(2) Facing problems during the operations
(3) Past repairs: Causes & its measures taken
(4) Any abnormalities observed
(5) Any observations on operation of boilers/
System/Steam plant

G Energy Conservation :

- (1) Energy Audit
(2) Scope of energy conservation
(3) Energy conservation measures taken in
steam plant
(4) Any observations/suggestions

H Environment :

- (1) Protection measures taken in plant
(2) Application of equipments/systems
in the plant
(3) Any Compliance/measures taken
(4) Any observation

I Overall justification/writeup for why the unit
should be awarded

.....
.....
.....

Date :

Place :

Signature of Applicant or Authorized person
with Name / Designation Seal of Unit

General assessment of evaluation committee

Conclusions :

- Right selection of plant equipments
- Competent-skilled-manpower
- Working process methodology
- Use of modern technology
- New technology approach
- General observation
